

# Cohen's Lottery Gazette and Register.

VOL. I.]

BALTIMORE—JANUARY 4, 1815.

NO. 19.]

The drawing of the Liberty Engine House Lottery which has heretofore been delayed owing to the late occurrences in this City, is now officially announced by the Managers in this day's paper to take place on Thursday the 16th of next month on which day it will positively commence and continue with all possible dispatch.—This Gazette will contain the official lists of the drawing and will be regularly forwarded to customers, agents and correspondents, gratis.

Letters received in town from New-Orleans up to the 10th ulto. are silent as to the arrival of any large British force appearing off there. N. Orleans is considered secure from any attack—a Flag of Truce arrived at Annapolis on Saturday last fr. the frigate

Orlando, now in our bay. The purport of the flag is supposed to relate to the exchange of prisoners.

Two masters of vessels captured in August last by the Enemy in our bay are said to have been examined yesterday before the Committee of Vigilance and Safety—they were on board the Menelaus frigate at the time of the attack on this city. One of them states that the attempt to pass the Ferry Branch was made by eighty boats carrying about 25 men each, eight of which, were entirely destroyed with a loss as was admitted by some inferior officers, after their return, of from 5 to 600 men! Two boats only went from the Menelaus, both of which returned, but 17 of the men were missing.

**Privateers.** During the last week we have received accounts of the sailing of the following privateers. Brigs Mars and Ranger, from Portsmouth, N. H. Prince of Neufchatel fr. Boston, 18 guns, 130 men. Brig Ino and schooner Mars, from Portland. Brig Antelope from Newburyport. Chasseur, Boyle, from New-York.

**Appointments.**—BENJAMIN W. CROWNINGSHIELD, of Massachusetts, is appointed by the president, with the concurrence of the senate, to the office of secretary of the navy.

WILLIAM EUSTIS, of Massachusetts, is appointed, with the concurrence of the senate, to be our minister to Holland.
